# VILA VITA PARC RESORT & SPA

**VILA VITA PARC RESORT & SPA** The Vila Vita Parc Resort & Spa is one of Europe's finest resorts that is set in 22 hectares of lush sub-tropical gardens overlooking the Algarve coast with stunning views of the Atlantic Ocean. With its 180 luxurious rooms and suites, 8 restaurants including the two-star Michelin Ocean, 6 bars and extensive meeting facilities, it is the perfect venue for any automotive related launch or presentation, allowing for total or partial exclusivity. Highlights include the vaulted Wine Cellar, featuring the largest private collection of wines in Portugal, a motor yacht and helipad. There is a large variety of leisure and sporting facilities including golf, tennis and spa. Plus, the apartments opposite the resort are ideal for staff and mechanics, and less than 20 minutes away is the Portimão racetrack, where the resort has its own VIP lounge.

## TEST DRIVE ROUTE I / SUGGESTED COFFEE - LUNCH BREAK

This scenic route takes guests from the hotel to Lagoa, onto Silves and to the beautiful countryside of São Bartolomeu de Messines, with a stop for a possible coffee break/lunch and/or drivers change. Return towards Albufeira, until Malhada Velha, where the road changes from countryside to the A22 motorway, until Alcantarilha. Here guests will leave the motorway again and drive on the EN125 until Porches, and back to the hotel. This scenic route has a total of 64 kilometers and takes 65-70 minutes driving time, including 51 kilometers on rural roads, 4 kilometers through towns and 9 kilometers on the motorway. During the early months of the year, the unique almond trees are in blossom on this route, which makes the drive even more beautiful. In the autumn, the scent of the orange trees will “drive” you crazy!

## TEST DRIVE ROUTE II / SUGGESTED COFFEE

This challenging route takes guests from the hotel to Portimão, onto the EN124 toward Caldas de Monchique. The road winds through the Monchique mountains and offers interesting curves, where testing the reaction of a car is normal. A stop for a coffee break including the typical “chouriço” sausage and a glass of “Medronho” and/or drivers change at Caldas de Monchique. Resume back toward Portimão, onto Lagoa and Porches ending at the hotel. This tour includes 72 kilometers, 52 on country roads and 12 on the highway. Driving time is 70-80 minutes, the road takes guests through the beautiful and charming villages of Monchique and the mountains.

## TEST DRIVE ROUTE III OR RACE CIRCUIT / SUGGESTED COFFEE

The Algarve Racetrack in Portimão, officially named “Autodromo Internacional do Algarve” has been open since November 2008. It is a remarkable circuit, famous for its blind curves and ups and downs - a true “roller coaster”, and a challenge to all drivers. It has become a popular venue for automotive industry launches due to the wide variety and high quality of the available facilities. On site, there are three different tracks: the main circuit with 4,685 meters, 42 pit boxes, and 80,000 square meter paddock. It also has sprinklers installed, allowing to test the reaction of cars and tires with aqua-planning. Two other tracks are a go-kart track and an off-road track. The Algarve racetrack is a 20 minute drive from the hotel where it owns a VIP lounge which can offer private catering for 20 guests.
